

# ISTM LIB-DEX

**About ISTM LIB-DEX:** ISTM LIB-DEX is a monthly serial publication of ISTM Library. It is an Indexing service and is a part of Current Awareness Service for the users of ISTM Library. This indexing service covers a few of the important periodicals & journals. The ISTM Library continuously adds in the database with the current Articles, Editorials, Write-ups on different topics as it is published in the different Journals with the information like, Title of the Journal; Title of the Article; Author; Editor; Sub-titles; Issue Number; Date; Page Numbers; and most important Keywords. So, that the users may search the topic of their interest and approach Library for the particular document(s).

The first page of this publication has cover pages of the covered Journal; Page #2 to #6 has the list of Articles published in the current issue of the Journal and Page #7 has the details of contributors and link to submit suggestion and feedback.

ISTM Library strongly believe the time of the users are very precious and ISTM Library attempts to reach out to its users with the available information, they may need.

## Using ISTM LIB-DEX

### Step 1

Click on the Cover Page of Journal for specific search

or

Click on Button -  
"Search Entire Database"

### Step 2

Search Articles with  
Keywords of your Choice in  
the Linked Excel Database

### Step 3

Now Call Library for your  
document
