 The transition away from unipolarity has been hastened by theatres of conflict in West Asia, Russia-Ukraine, and Asia-Pacific and their impacts, indicating significant changes in the international power structures constructed after World War II. [page 10](#)

**Plastic Waste Management**  
 Frangings that highlight plastic pollution only along visible and aesthetic dimensions can lead to unanticipated and perverse consequences, such as the toxic and highly polluting practice of the open burning of mixed wastes containing plastics. [page 54](#)

**Caste Atrocities in Tamil Nadu**  
 The Justice Chandru Commission should go beyond the mere legal angle so that its findings may help remove the stranglehold of caste on everyday social life in the southern districts of Tamil Nadu. [page 18](#)

**A Novel Methodology**  
 Phasidwar Nath Renu's Part/Parikatha may indicate the ways in which social scientists may transcend the orthodox anthropological distinction of the social from the cultural. [page 47](#)

**Dynamics of Poverty Reduction**  
 Any attempt to explain poverty reduction in a year in terms of developments or programmatic interventions in that year is unlikely to go unchallenged. [page 21](#)
