Information Bulletin

The purpose of this "Information Bulletin" is to spread awareness about the services and activities of the ISTM Library and Research and Management Tools available as "Open Access" for the use of all the users.

LibriVox

About LibriVox:

LibriVox offers free audiobooks from the public domain, featuring classic literature and other works that are no longer under copyright. Volunteer narrators from around the world record these audiobooks, resulting in a diverse range of voices and accents.

Users can easily search for titles, authors, or genres on the user-friendly website or mobile app. Audiobooks are available for download in various formats, including MP3 and M4B, or can be streamed directly. The platform encourages community involvement, with users able to leave reviews, participate in forums, and even volunteer as narrators or prooflisteners. LibriVox provides an accessible way for literature enthusiasts to enjoy timeless classics and discover new favorites through the collaborative efforts of volunteers worldwide.

Features of LibriVox:

- **Free Audiobooks:** All books are free for use.
- **Public Domain Content:** All books are available in the public domain.
- **Volunteer Narrators:** All books are narrated by volunteers
- **User-Friendly Interface:** A User-friendly interface helps in reducing search time.
- **Download and Streaming Options:** All books on LibriVox can be downloaded and streamed, free of cost.
- **Community Involvement:** Users may get access to the community and be involved in various reading activities.

Talk of the Management Tools

February 2024

This section covers a one of the Management tools, useful in day to day official and personal management.

GAMIFICATION AS MODERN TRAINING TECHNIQUE

Gamification is a training technique that applies game design principles and mechanics to non-game contexts, such as learning and development initiatives within organizations. Here's an elaboration on how gamification works as a training technique:

- 1. Engagement:** Gamification captures learners' attention and motivates them to participate actively in training activities by incorporating elements such as points, badges, leaderboards, levels, and rewards. These elements create a sense of challenge, progression, and accomplishment, making the learning experience more engaging and enjoyable.
- 2. Motivation:** By tapping into intrinsic motivators such as autonomy, mastery, and purpose, gamification encourages learners to take ownership of their learning journey and strive for continuous improvement.
- 3. Skill Development:** Gamification provides opportunities for learners to practice and develop various skills, including problem-solving, decision-making, critical thinking, and collaboration. Through simulated scenarios, challenges, and quests.
- 4. Feedback and Recognition:** Gamification offers immediate feedback on learners' performance, highlighting their strengths and areas for improvement.
- 5. Social Interaction:** Gamification promotes collaboration and competition among learners through social features such as leaderboards, challenges, and collaborative activities.
- 6. Retention and Transfer of Learning:** By making the learning experience more interactive, memorable, and enjoyable, gamification improves learners' retention of information and their ability to apply it in real-world situations.
- 7. Adaptability and Personalization:** Gamification allows for customization and adaptation of training content and activities to suit individual learners' needs, preferences, and learning styles.

Overall, gamification as a training technique leverages the motivational power of games to enhance engagement, motivation, skill development, and retention of learning outcomes, ultimately driving better performance and results within organizations.

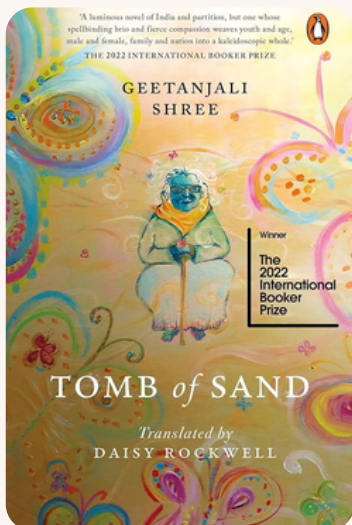

Stay tuned for more information.

From the New Arrivals

February 2024

This section covers a short description and/or review of one or two book(s) from the New arrivals section along with the cover pages of some of the latest trending periodicals available in the library.

Format Book (Paperback)
Author Shree, Geetanjali
Pub. & Desc. Gurugram: Penguin Random House India, 696p. : .20.3 cm.
ISBN 978-0-143-44847-1
Class No 823.3

Its all about: In northern India, an eighty-year-old woman slips into a deep depression after the death of her husband, and then resurfaces to gain a new lease on life. Her determination to fly in the face of convention – including striking up a friendship with a transgender person – confuses her bohemian daughter, who is used to thinking of herself as the more 'modern' of the two.

To her family's consternation, Ma insists on travelling to Pakistan, simultaneously confronting the unresolved trauma of her teenage experiences of Partition, and re-evaluating what it means to be a mother, a daughter, a woman, a feminist.

Rather than respond to tragedy with seriousness, Geetanjali Shree's playful tone and exuberant wordplay results in a book that is engaging, funny, and utterly original, at the same time as being an urgent and timely protest against the destructive impact of borders and boundaries, whether between religions, countries, or genders.

विलियम रामायण ले गया

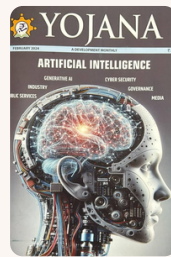

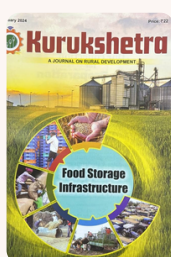

Format Book (Hardcover)
Author आलोक, सतीश
Pub. & Desc. नई दिल्ली: अमरसत्य प्रकाशन: 2022, 159p; 22.5cm
ISBN 978-93-94469-01-3
Class No 891.433

Its all about: रामकथा से कौन परिचित नहीं है। किंतु सभी के मन में कुछ प्रश्न उठते रहते होंगे। ...यह कि क्या हनुमान बंदर थे? क्या हनुमान हवा में उड़ सकते थे? क्या कोई व्यक्ति पहाड़ उठा सकता है? और यह कि माया क्या होती है? इंद्रजीत लड़ते-लड़ते कैसे गायब हो जाता था? रावण के दस सिर और बीस हाथ कैसे सम्भव हैं? दूसरी ओर, राम ने वह धनुष कैसे उठा जिसे अनेक योद्धा एक साथ मिलकर भी नहीं उठा पाए थे? यह ऐसे प्रश्न हैं जिन्हें सुनकर, पढ़कर लोगों का रामकथा से विश्वास उठ जाता है। लोग रामकथा को कपोल-कल्पना समझने लगते हैं, और रामायण को 'मिथक' मानने लगते हैं। प्रस्तुत पुस्तक 'विलियम रामायण ले गया' लंदन से अपने भारतीय मित्रों के साथ भारत देखने आए, 14 वर्षीय अंग्रेज बालक के अनुभव की कहानी है। वह एक भारतीय परिवार में ठहरता है और मित्रों के दादाजी, चाचा-चाची और बच्चों से घुल-मिल जाता है। वह टी-वी- देखता है और रामायण का सीरियल देखकर कई प्रश्न करता है...जिसका सविस्तार उत्तर दादी जी के पास है। वह भारतीय पद्धति से मनाया गया बिना केक वाला जन्मदिन भी देखता है। ताज देखने की ललक में मथुरा, वृन्दावन भी घूम आता है और सलीम चिश्ती की दरगाह, फतेहपुर सीकरी, बुलंद दरवाजा आदि भी देखता है, लौटते समय वह अपने साथ रामायण की सी-डी- भी ले जाता है। हमें पूरा विश्वास है कि यह किशोर उपन्यास, बालयन को ही नहीं, वयस्क पाठकों को भी नई दृष्टि प्रदान करेगा।

BOOK REVIEW

February 2024

BOOK: TUESDAYS WITH MORRIE

Author: Mitch Albom

Language: English

Genre: Biographical and philosophical Memoir

Theme: Morrie Schwartz's and Mitch Albom's conversations on love, family, happiness, money, culture, relationships, life and the fleeting nature of it all.

An Introduction: "Tuesday with Morrie" by Mitch Albom, is an account of the author's conversations with Morrie that happened every Tuesday. What was so remarkable about these conversations that the author was compelled to journal and immortalise them in the form of a book? And who, after all, is Morrie? Is he a saint, a philosopher, a friend or just an ordinary man with an ordinary life? And what can he teach us, if anything at all?

These are the questions we'll explore as we embark on the journey of this book. But there is much more to it. This will render us some of the most significant life lessons.

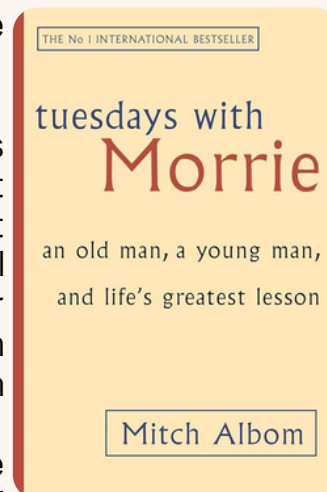

Synopsis and Review: Morrie Schwartz is a professor of philosophy at an Ivy League University. He had humble beginnings though. His zest for learning made him a deeply admired and venerated professor. He is a simple man with a childlike sense of joy and wonder.

Mitch Albom's one of the students at the university is now a successful radio and TV broadcaster. Having been caught up with work and the pressures of life, he lost touch with his professor-cum-friend Morrie.

One fine day, upon seeing Morrie in an interview on the show 'Nightlife', he is reminded of the promise he made to him sixteen years ago to keep in touch. Now stricken with ALS, a fatal disease, Morrie does not have much time left. Mitch realizes the fact and flies to meet him. They are both so touched by the meeting that they meet for the next 14 consecutive Tuesdays up until Morrie passes away. During each of these meetings, they discuss a different topic about life, including love, family, culture, relationships, money, happiness and death. Each cast array of emotions. Being re-introduced to these subjectivities from the perspective of a learned teacher who is dying makes us re-assess and ruminate about the way we are leading our lives. These are no lectures or propaganda. Just simple conversations between an old man and a young man imparting nuggets of wisdom from a life well-lived.

This book shall be a unique journey for each reader. It raises some questions and answers some. And those shall be different for every reader. However, what is most significant is that it raises the right questions.

"A genius is not the person who knows all answers but who has the right questions and is patient enough to find answers."
