Vol. – 2, Issue – 8

# ISTM LIB-DEX

About ISTM LIB-DEX: ISTM LIB-DEX is a monthly serial publication of ISTM Library. It is an Indexing service and is a part of the Current Awareness Service for the users of ISTM Library. This indexing service covers a few of the important periodicals & journals. The ISTM Library continuously adds to the database with the current Articles, Editorials, and Write-ups on different topics as it is published in different Journals with information like; Title of the Journal; Title of the Article; Author; Editor; Sub-titles; Issue Number; Date; Page Numbers; and most important Keywords. So, that the users may search for the topic of their interest and approach the Library for the particular document(s).

The first page of this publication has cover pages of the covered Journal; Page #2 to #6 has the list of Articles published in the current issue of the Journal.

ISTM Library strongly believes the time of the users is very precious and ISTM Library attempts to reach out to its users with the available information, they may need.

## Using ISTM LIB-DEX
